About us

Al Tamayuz started as a small print shop focused on commercial printing founded by Mohamed Sorour in 1986 who began his career as a manual composer in the 60s, but with the introduction of computers, the job of composing was handed over to graphic designers.

Currently Al Tamayuz is one of the few companies in the region that produces a wide range of paper products. It's a testament to the company, industry, knowledge, and passion for the business.
